

LIVE EVENT PRODUCTION AVL

## LIVE SHOW EAST

Here's What Our Clients Are Saying:

*"Your Pre-Event Attention To Detail & Your Passion For Excellent Results Gives Us Great Confidence. We Know We Can Concentrate On Other Things & The Tech Systems Will Be Great!" -Robin Church Conference Director*

*"Always Flexible! Great Staff! We Only Hear Good Things From Artists." -Christopher Event Producer*

*"If We Are Planning A Conference Or Holiday Special Event; Our First Call Is To Live Show East. They Provide Cost Effective Ways For Us To Supplement Our Systems & Staff & Makes A Way For Us To Convert Back To A Sunday Service Smoothly." LSE Is Mission Critical To us!  
-Allen Church Director*

*"The One Thing About Sound Companies Is Attitude. Things Are Going To Change & This Often Derails The Sound Company Staff & Makes The Rest Of The Event Awkward. The First Time We Worked With Live Show It Was An Especially Challenging Load-In & The Day Brought Many Changes. They Kept A Great Attitude & Delivered Like Champions. I Don't Bid Sound Anymore. Live Show Is Our Company & We Our Very Satisfied."  
-Catherine Corporate Event Planner*

*"I Remember The Outdoor Crusade In NJ, Where Attendance Reached 10,000+ And The City Closed Us Down Early For Being Over Capacity. The Evangelist Leased A New Indoor Venue A Few Blocks Away & Live Show Packed Up The Whole Show & Reset In 24 Hours. We never Missed A Beat. They never Complained. This is Their Ministry. They Are A Part Of Our Team, Not Hired Help."  
-Tony Crusade Director*
